

# LT SUMMER READING 2017

Welcome to Summer Reading 2017!

Continue to cultivate the habit of reading and escape into new worlds this summer with a good book! **ALL** students need to select **one** book from the LT Summer Reading List and be prepared to discuss that book the first week of school in their English classes. Junior and senior AP students have separate summer reading lists so click on the appropriate link (AP / Honors AP) to find those titles. Please remember that summer reading is an expectation of all students. In the Language Arts Division we are a culture of readers and we look forward to hearing your thoughts about the stories you've read.
